

1 **Abstract of Disclosure**

2 A collapsible closet includes a front frame, a rear frame and two foldable
3 lateral plank assemblies through which the front frame is connected with
4 the rear frame. Each of the foldable plank assemblies includes two
5 planks pivotally connected with each other. One of the planks of each of
6 the foldable lateral plank assemblies is pivotally connected with the front
7 frame. The other of the planks of each of the foldable lateral plank
8 assemblies is pivotally connected with the rear frame.
